 eate a lavish living room.

## Canadian House & Home - October 2011

From the bed, the couple can see through the 8' opening and look out to the lake. A linen slipcover on the Ikea bed offers multiple looks. **Bed**, Ikea; **bed slipcover fabric**, Designer Fabrics; **slipcover sewing**, Cover Your World; **blanket**, MacAusland's Woolen Mills; **pillow fabric**, Kravet; **rug**, Pottery Barn; **hide**, Mjolk; **lantern**, Casamidy.

OPPOSITE TOP LEFT: Sprayed drawer fronts and horn handles elevate a surface-mounted bathroom sink. Exposed vertical beams add to the rustic character. A grommeted curtain below adds a nautical note. **Sink**, Home Hardware; **faucet**, Ginger's; **curtain fabric**, Designer Fabrics.

TOP RIGHT: The screened-in porch is Suzanne's

favourite spot, particularly the slatted daybed with angled legs, designed by Arriz. The waterfall can be heard through full-height screened panels. **Daybed**, Arriz Hassam; **daybed fabrication**, 9 Digits; **mattress**, Barrymore Furniture; **side table**, Heather Ross; **chairs**, Design Within Reach; **rug**, Elte; **pillow fabric**, Kravet.

BOTTOM LEFT: An Ikea wardrobe was custom-painted and mounted on the wall to create a floating effect with extra storage in a row of soft baskets below. **Wardrobe**, Ikea; **hardware**, South Hill Home.

BOTTOM RIGHT: A tribal juju is a fresh pop of white against Douglas-fir walls, and a study in scale with the smaller mementoes below. The bench was fashioned from an extra roof beam during construction.
